

NEWS FROM OUR ASSOCIATES

- WORKSHOP ON STATISTICAL EXTREMES AND ENVIRONMENTAL RISK

February 15-17, 2007, Univ. of Lisbon, Portugal

The workshop will bring together some leading experts on extreme value theory and other experts working on environmental sciences. The objective of the workshop is to look at recent advances on all aspects of extreme value theory with specific emphasis on its application in environmental sciences.

- NONUNIFORMLY HYPERBOLIC DYNAMICS AND SMOOTH ERGODIC THEORY

June 25-29, 2007, Instituto Superior Técnico, Lisbon, Portugal

Conference dedicated to Yakov Pesin on the occasion of his 60th birthday. Topics will include the subjects of his landmark works and those on which he exerted the strongest influence, including: nonuniform hyperbolicity, smooth ergodic theory, partial hyperbolicity, thermodynamic formalism, dimension theory in dynamics, and related subjects.

- ICDEA2007 - INTERNATIONAL CONFERENCE ON DIFFERENCE EQUATIONS AND APPLICATIONS

July 22-28, 2007, Lisbon, Portugal

The purpose of the conference is to bring together both experts and novices in the theory and application of difference equations and discrete dynamical systems. The main theme of the meeting will be “Discrete Dynamical Systems and Nonlinear Science”.

- 56TH SESSION OF THE ISI - INTERNATIONAL STATISTICAL INSTITUTE

August 22-29, 2007, Lisbon, Portugal

This is the most important world meeting in Statistics, gathering usually more than 2000 participants. So as to allow for a large participation in this event, the Portuguese Statistical Society has scheduled its XV Annual Conference to August the 19th-21st in Lisbon (a combined registration is available at www.spestatistica.pt).

- ORP³ - OPERATIONS RESEARCH PERIPATETIC POSTGRADUATE PROGRAMME

September 12-15, 2007, Guimarães, Portugal

ORP³ is a new instrument of EURO designed for young OR researchers and practitioners. ORP³ aims at being a forum promoting scientific and social exchanges between the members of the future generation of OR in academic research and industry. ORP³ is a European peripatetic conference each edition of which is hosted by a renowned European centre in OR.
